

# STRIPING SERVICE AND SUPPLY

Your Trusted Source for All Things Traffic Safety

Established in 2014, Striping Service and Supply's management team has over 100 years of successful industry experience. Our "customer first" mindset and dedication to upholding the utmost standards for customer service has made Striping Service and Supply the preferred supplier for many projects in the southern and southeast region of the country.

Our goal is to serve the business needs of companies nationwide by providing the highest quality products in the market today. Our available product line includes a full line of road safety and pavement marking products. In addition, we also offer the custom fabrication (adapted to your specifications) and sales of Truck Mounted Attenuators (TMA) and Trailer Attenuators (TA) utilizing the TraFFix Scorpion product line. Striping Service and Supply is not only an Authorized Distributor for TraFFix Devices but also a Certified Service and Repair Center.

**We believe that by putting the success of our customers first, ours will follow. We look forward to becoming your trusted industry partner.**
